# Quarterly Spring 11

## KIDS

Hey super duper people,  
Wow what an awesome week we had at Kids Camp. It was so cool to have this camp as my first camp coordinating with Felicity. Gee wasn't God super good to us with all the weather? I want to say a HUGE thank you for all coming to camp. I would have to say it was the best camp to be a part of.  
One of my favourite parts of camp is being able to walk around and just hang out with all you cool as campers and sweet leaders. I so can't wait for Treasure Seekers this summer. I hope to see you all there.

Ray

Hey guys and girls,  
Wow! What an awesome camp! It was so great to see so many of you superstars here for "Lights, Camera, Action!" I loved getting to see you showcase your talents at the audition nights. Well done to those of you who were picked to perform at our very own Oscars Awards Evening. I hope you've all stayed in touch with your leaders and the friends you made at camp.  
I'm really looking forward to seeing you all here for "Treasure Seekers," but it will be a sad camp for me, because it will be my last camp as staff at Totara Springs. So make sure you get your adventure-seeking self over here to make it the best camp ever.

See you soon!

Courtney

## Junior Kids

Kia Ora, Junior Kids campers!

I can't believe how quickly the time goes, it feels like just yesterday we were in the dining room making our crafts and running around doing all the awesome activities here at Totara Springs. The Charabang and Hydroslide were great! It's really neat seeing you all speeding down the slide and splashing into the pool at the bottom. I can't believe some of you don't get confused with fish because you definitely swim like them.

It was fantastic having you come and hang out with us for a few days. My favourite part of camp is always hearing what the speaker tells us in Devotions! Dan was a really funny puppeteer and I'm sure you all found it interesting seeing how he makes each of his crazy-cool puppets. I'm super excited to see you, along with some new faces at Summer Junior Kids Camp.

Catch you there for some more fun Totara Springs Adventures!

Anneke

Hey Junior Kids campers,

We had a great time this spring being Super Stars. What a grand time we had together, the camp fire was super cool and all of you looked like super stars. It was definitely a camp to remember. Dan was very cool and his puppets were splendid, I think I've found my calling for after camping. I am really looking forward to seeing all you adventurous explorers over summer.

Signing out!

Felicity
